रिज़र्व बैंक
सूचना प्रौद्योगिकी प्राइवेट लिमिटेड
Reserve Bank
Information Technology Pvt. Ltd.

Reserve Bank Information Technology Pvt Ltd (ReBIT) has been set up as a wholly owned subsidiary by the **Reserve Bank of India (RBI),** to take care of the IT requirements, including the cyber security needs of the Reserve Bank and its regulated entities.

Project Management

Deliver and manage IT projects of RBI for a productive and delightful user experience through collaboration and excellence

Cyber Security

Safeguard RBI assets by detecting and responding to cyber-threats through architecting and operating state-of-the-art security infrastructure and services

Systems Audit

Assist RBI in performing risk-based supervision of regulated entities through security audits and incident analysis

Research & Innovation

Improve cyber resilience of the banking sector through collaboration with key stakeholders to promote best practices, drive policy research and build innovative technology solutions

Our Vision

Be a trusted technology partner for Resilient Indian banking
